MEMORANDUM FOR: Director of Security, DA

FROM: John M. Ray  
Director of Logistics, DA

SUBJECT: Office of Security Contracts Team

STAT

1. The attached Memorandum of Agreement calls for an increase of two contracting officer positions in the Office of Security (OS) Contracts Team. Our analysis of OS procurement activity in FY 1987 indicates that a three-person increase is required; however, I am agreeable to staffing the OS Contracts Team with three contracting officers at this time if that is your wish. I believe that the Contracts Team will prove to be a material benefit in creating a responsive and effective procurement support mechanism for OS.

2. I will ensure that additional contracting officers are assigned to the OS Team during the period it takes to identify the requisite positions. If you have any questions concerning this matter, please contact me or [redacted] on [redacted]
